**EXPERIENCES:** Teacher of Chemistry at Nguyen Chi Thanh High School, HCMC

- Dedicated and passionate teacher with over 19 years of experience.
- Experience in organizing STEM-oriented teaching.
- Organize students to participate in outdoor activities.
- Experience guiding students and encouraging them to participate in local environmental protection projects.
- Guiding and inspiring students, their parents, and my colleagues regarding climate change.
- Joined the speaker as a panelist organized by the British Council.
- Joined the 18<sup>th</sup> Annual CamTESOL Conference (Virtual) on English Language Teaching as a presenter Recognition on 18 – 20 February 2022.

**LANGUAGE** Intermediate English

**SKILLS** MS Office (Word, Excel, Power Point, ...)  
Ability: to learn quickly, to work under pressure, to multitask.  
Good communication, effective time management, strategic planning, creative, diligent, strong sense of responsibility and teamwork spirit.

My goal in the future is to participate in national environmental protection projects and connect with colleagues and non-national organizations to find solutions to help reduce climate change.

I assure that will not disappoint and trust leadership decisions.
